The question whether any personal allowance should be granted is a matter for Govt to consider.

Secy) 17/11/08

Mr Srinivasa Rao is a deserving officer; but I am afraid the grounds urged for the grant of a personal allowance are not very strong. The promotion can under the Rules may be sanctioned. If necessary, the H Branch will be consulted about the question of personal allce.

OFFICE OF THE Deputy Commissioner

To
K. S. Lohendrasekharamayya Esq., B.A. B.L
SECRETARY TO THE GOVERNMENT
OF HIS HIGHNESS THE MAHARAJA OF MYSORE,
GENERAL AND REVENUE DEPARTMENTS.

Sir,

In forwarding herewith letter no 80 dated 9th instant from Mr. P. Greenivasa Rao City Magistrate Mysore, I have the honor to state that as Mr. Greenivasa Rao has rendered approved service in his present grade, he may be promoted to the 1st class with effect from 1st July 1908.

As regards his other prayer contained in the letter, viz the grant of a special allowance to him I may state that he richly deserves it. He is a conscientious hard working and capable Officer and has given me complete satisfaction in the discharge of his duties as City Magistrate.

I have the honor to be
Sir
Your most obedient Servant

H. Deputy Commissioner
Mysore District

Rec'd 9/11

No. 80

Mysore
9th November 1908

From
P. Srinivasa Rao Esqr
City Magistrate
Mysore

To
M. Kanthraj Urs Esqr B.A.
Dy: Commissioner.
Mysore District.

Sir,

I beg to bring to your kind notice that at the end of June 1908, I completed three years' service as Asst Commissioner, 2nd class, and if it please Government to decide that the service which I have rendered during the period is of approved character, I shall be entitled under the rules in force, to promotion to 1st class with effect from 1st July 1908. I request the favour of your moving the Govt to take the question into consideration.

2. I beg permission to avail myself of this opportunity to lay

before you certain facts connected
with my official career -

3 I have had the honour of
serving the Government for 35 years
and a half, calculated up to the end
of last month - Of this period, 13 years
service has been as amildar, and
more than 12 years' service as
Apt Commissioner -

4. Since my appointment as
Apt Commissioner on 1st July 1896,
promotion has come to me steadily
once in three years according to the
rules in force - But owing to the
fact that no similar time-limit
applied to promotions of Gazetted
officers of the same status serving
in the Police Department but that
their promotions depended solely
upon the occurrence of vacancies
in the higher grades, certain officers
of the Uncovenanted class like
myself, who were very much my
juniors, have superseded me
by having been promoted to the
1st class about some years ago -
I refer here to Messrs L. Krishnadas,
Nagar Subbadas and Zahiruddin
Meccai -

5. I was myself in the Police Department for some time, but I was not kept there long enough to be benefited by the advantageous conditions which applied to service in that Department.

6. The officers above-named, have gained also a further advantage over me, in that they have already secured, by not less than two years service as apt Commrs of the 1st class, eligibility for promotion to the grade of Senior apt commissioners (Vide para 12 of Govt Ins: No G 8139 G.M. 12-06-68 & 27/6/07); but in my case, there is no scope for any such aspiration, as I have barely three years to reach the superannuation age-limit.

7. Another point to which I wish to invite your kind attention, relates to the office which I have the honour to hold at present -

8. The position of the City Magistrate, both at Mysore and Bangalore, has always been regarded by Government as one of great importance and responsibility, as the city magistrate has to administer criminal justice

among the urban population of the two most important cities in the Province; and accordingly, except during short intervals, the place has been always filled by officers drawing a higher pay than that of an Apt. Commissioner of the 1st class.

9. The City Magistrate of Mysore and Bangalore has to hold Inquests — a duty which elsewhere is ordinarily performed by the Police.

10. Since the past year, the Sabook Nuvisdar has been relieved of his criminal work, the same being assigned to the City Magistrate.

11. I held the appointment of City Magistrate at Mysore for a few months in 1905 when Mr N. Venkatadas, the then permanent incumbent, was employed on other duty; and have been holding it again, as you are aware, since August 1907.

12. As to how I have been discharging my duties in my present place, you, as my immediate superior authority, are the best judge; but the fact that the Government were recently pleased, upon your recommendation,

to invest me with appellate powers
is one which I look upon as a
mark of confidence in me, and of
appreciation of my humble services

13. The appellate work now devolving on me, constitutes in the case of the Mysore City Magistrate, an additional item which is lacking in the case of the Bangalore City Court-

14. In view of the foregoing facts and circumstances, I respectfully venture to submit for consideration a claim on my own behalf to a suitable personal allowance, and trust that you will see your way to give it your kind support -

15. It will be observed that some officers who still rank as my juniors draw personal allowance in addition to pay, for certain special reasons I may be permitted to hope that the circumstances connected with my case, may be viewed as investing it with a specialty of its own, entitling my prayer to favourable consideration

16. Should the Government be pleased

to grant my humble application,
it will be a great boon to me in
the closing years of my service,
inasmuch as I shall then be able
to count upon a somewhat increased
pension, as a reward for something
like 39 years of faithful and loyal
service under Government.

I have the honour to be
Sir
Your most obedient Servant
P Brennan Chief
City Magistrate
Dunedin.
